

Evergreen FC

Creating the Future for Your Club

Evergreen Football Club are proud to announce the launch of our '21 Club' to coincide with the 75th Anniversary of the Club (1946 -2021)

The strength of a club like ours is that we make great things happen when we all pull together...

Our vision is to ensure that everybody in our community has the opportunity to take part and participate in Evergreen FC

Phase 1 & 2

Over the last decade we have succeeded on a number of fronts. The club has moved to its home in Evergreen Park, generated top class grass pitches, improved the parking and playing facilities and also developed our own full size Astroturf pitch.

Phase 3

In phase 3 we will see the construction of a new fully floodlit, full size, second Astroturf pitch along with a new stand on the existing Astroturf pitch.

Our playing facilities are now at capacity during the playing season with over 800 playing members. The development of an additional Astroturf pitch will ensure we can continue to offer football to an ever growing membership, both boys and girls. Our original plan was an additional 5 aside pitch to assist with training needs but thanks to the generous sponsorship of Taxback.com these plans can now be expanded to a full sized fully floodlit pitch.

Phase 4

In phase 4 we aim to develop a Club house, incorporating permanent dressing rooms, meeting rooms, indoor gym area; meeting the needs of our club members and players for generations to come.

Our Growing Club

820
playing members

200+
girl members

120
Coaches & Managers

50
teams

Club Development Strategy

Secure the future of your club

Accommodate growth & increase participation for all

Contribute to our community: Social Inclusion, Health & Wellbeing, Integration

All of these require fundraising in order to meet costs and to attract additional funding supports. So now we have created our '21 club' and aim to have over 100 of our members joining to secure Evergreen F.C's current and future plans.

The '21 club' club asks it's members to commit to making a (minimum) donation of €21 to Evergreen F.C. each month. Why €21? Well that is the minimum amount Evergreen can receive in order to allow us to claim additional money from the Revenue Commissioners. So this means we can turn your total annual donation of €250 into a €417 payment received by the club. That makes a big difference!

So what do you have to actually do? There are two pathways...which one you take depends on how your income tax is assessed. Either you complete a tax self-assessment form each year or you don't, and your tax is taken care of through the PAYE system.

PAYE Tax Payer

If it's the latter then we need you to do just two things:

1. Set up a monthly payment of €21 to the Club
2. Complete a CHY4 form that we will give you and you return to us. This form confirms your donation to the club and allows Evergreen to claim money from the Revenue for the club.

Monthly Donation	Yearly Donation	Extra Yearly Benefit to Club	Total Benefit/Donation
€21	€250	€167	€417
€42	€500	€333	€833

Self Assessed

If your tax is self-assessed then the pathway looks different. We also need you to set up a monthly payment to the club but this would need to be for a minimum amount of €35 per month for the donation to qualify. When it comes to completing your annual self-assessment tax form you would include your total donation of €417 to Evergreen and this would lead to you receiving a reduction in your tax bill of €167 for the year. With this saving it means that your monthly donations will have only cost you €21 per month but Evergreen receive the full €35 per month.

Monthly Donation	Yearly Donation	Yearly Tax Payable for Individual Reduced by	Net yearly cost to individual
€35	€417	€167	€250
€70	€833	€333	€500

Corporate Donations

Revenue treats the amount donated by You to our club as a deductible expense against your corporation tax payable.

We welcome any Business donations however, big or small. All funds received will be ring-fenced for our Capital Development Projects which will help build a lasting legacy for our Club and Community .

Next Steps

To find out more information or make a donation to our development plan you can visit

Evergreenfc.ie/21club or email info@evergreenfc.ie
